Bilateral Meetings

- (9:00 a.m. - 3:00 p.m)

Description

A company dedicated to provide wide range of services using small UAV's. Our key activities are photogrammetry and remote sensing. We provide also training and advice related to the use of unmanned aerial systems. In our work we use both fixed wing and rotorcraft systems. We can customize our platforms to best suit our client needs. Versality and efficiency is our mark.
